NC STATE Feed Milling

FEED EDUCATION WEEK

October 22-24, 2024
NCSU Feed Mill Education Unit
4001 Chi Rd, Raleigh, NC

CFIA and NC State are excited to come together again to bring a great week of scheduled events designed to bring value and accommodate both new and well-seasoned feed industry professionals. The week is designed to give individuals the ability to mix and match sessions based on experience and employment area.

CFIA FEED PRODUCTION TECHNOLOGY SCHOOL

The Feed Production Technology School will continue its successful and long standing tradition of bringing together facility managers, supervisors, and experienced allied industry to cover a variety of advanced topics based on current industry issues and feedback from production personnel.

WEDNESDAY OCT 23

Program Begins at 9:00 am
Lunch included
Program Wrap-up at 4:30 pm

TOPICS INCLUDE

- Nutrition Hour
- OSHA Heat Standard
- Current Climate: Mycotoxins and Conducting Risk Assessments
- Bulk Bin Crisis Management and Prevention

FEES & REGISTRATION

Lunch Included
CFIA Members: \$175 (Per Day)
Non-Members: \$225 (Per Day)

CFIA FEED MILL MAINTENANCE SCHOOL

The Equipment Maintenance School is the newest addition to the program and is designed for maintenance personnel. This course will focus on preventive maintenance, relying on the expertise of manufacturers and technical sales individuals.

The week is designed to give individuals the ability to mix and match sessions based on experience and employment area.

NC STATE FEED QA ROUNDTABLE

TUESDAY OCT 22

The QA roundtable was another addition to the 2022 and 2023 programs and we have decided to bring it back for the 2024 program as well, this year as a stand-alone program. This is a discussion-based program based on industry-submitted topics. We will be joined by AFIA's Gary Huddleston in the morning for a regulatory update and inspectors from the NCDA&CS to give a regulatory update and Q&A in the afternoon.

TOPICS INCLUDE

Since the roundtable program is discussion-based, we like to solicit topics in advance to keep the conversations moving. Please fill out this form prior to the event to provide us with your top topics for discussion at this year's event

[2024 QA Roundtable Topic Suggestions Form](#)

FEES & REGISTRATION

Lunch Included
Per Participant: \$75
Sponsorship: \$100-\$500
